Real example: how I filled the Providence Health Plan practitioner questionnaire

Eric Richers, LPC, CADC III · CUTI LLC, Eugene, Oregon · solo telehealth counseling practice

Recreated from my own filing, redacted. Bracketed values are placeholders. Get the current blank form from Providence Health Plan (sent with the practitioner application) at https://www.providencehealthplan.com/providers.

What to notice

Three pages that feed the plan's directory, dated 10/2/2025. Section 1 is required and shapes how members find you: access, ages served, special focus areas. Sections 2 and 3 are personal characteristics, race, faith, and identity, and the form says in its own words that they are optional and never used in credentialing. I have left them blank in this example.

The languages table wants read, write, and speak as three separate ticks plus a line on how the fluency can be verified. Answer it honestly; a member who books you for a language will expect that language.
