Real example: how I filled the OBLPCT Registered Associate Supervisor Evaluation and Hours Report (blank grid)

Eric Richers, LPC, CADC III · CUTI LLC, Eugene, Oregon · solo telehealth counseling practice

Recreated from my own filing, redacted. Bracketed values are placeholders. Get the current blank form from the OBLPCT (Supervision_Report.pdf on the Board's new registered associate page) at https://www.oregon.gov/oblpct/pages/new_registered.aspx.

What to notice

Blank on purpose. The hours are mine, the evaluation is my supervisor's, and neither belongs on a public site; what a new associate needs is the shape of the grid, because the arithmetic is the part that goes wrong. Twelve monthly rows, direct client hours in column A (with the LMFT couples-and-family subset in B), then individual in-person, individual electronic, and group supervision in C, D, and E, which sum to the total.

The first reporting period starts the day the registration is approved. If a month has fewer than the minimum supervision hours, the client hours for that month do not count, so the grid is filled monthly, not reconstructed at renewal. Page 2 is the supervisor's twelve questions and both signatures, and the signed report is uploaded in the licensee portal.
